

Food Service Announcement

Starting Wednesday, we plan to provide food service for those families in our community that could use this resource. Please understand that we have to operate under state and federal guidelines in order to provide meals.

Any child up to the age of 18 can receive these meals at no charge. They do not have to be enrolled in the school district. They do have to live in the school district boundary.

Meal RSVP process

If you have children in multiple buildings, you can RSVP at one site. You can also pick up at the site you RSVP'd with. If you have children at multiple buildings, please indicate when you call, what buildings your children attend.

Preschool parents should RSVP through the Elementary.

Alternative School parents should RSVP through the Middle School.

On Tuesday the 17th, please call your building between 9 am and 2 pm to RSVP meals for the following:

Wednesday-Lunch

Thursday-Breakfast and Lunch

Friday-Breakfast and Lunch

Please RSVP through your building on Friday the 20th from 8 am to 11 am for meals the week of March 23rd through the 27th. We will provide both breakfast and lunch.

Please RSVP through your building on Friday the 27th from 8 am to 11 am for meals the week of March 30th through April 3rd. We will provide both breakfast and lunch.

Breakfast will be pickup only at each building from 7:30-8:30 am.

Lunch will be pickup or delivery. Pickups will be available at each building from Noon to 1:00 pm.

Pickups will be curbside at the following locations.

ES-Cafeteria (preschool pickup as well)

FIS-by gymnasium side doors

KABMS-behind the building (alternative school pickup as well)

HS-side doors by cafeteria

Meals cannot be eaten on site, you must take the meals with you.

If you need delivery, please provide your building with the address.

Deliveries for lunch will be made between 11:30 and 1:30 pm. Please be advised that we will not know exact times until after a couple of delivery runs.

We also plan to start coordinating our Catpack program through this service. More information on the Catpack Program to come. We hope that this helps relieve some of the burdens that this school closure has caused.
