

In an effort to help our local health department monitor the instances of illness in our community, we ask that parents report any illness in their families through our school district. This is voluntary only.

If a member of your family is ill, please contact one of the district schools from 8 to 10 am daily.

We will ask for the following information:

Symptoms:

Shortness of Breath

Deep cough

Gastrointestinal Symptoms

Fever greater than 100.4 degrees
