

Foster Care Liaison

The Fredericktown R-1 School District recognizes the unique challenges that face youth placed in foster care. We will provide these students with access to the same free, appropriate public education as other children and youth, as well as access to educational and other services necessary to be successful in school, and will ensure that they are not separated from the mainstream school environment.

The District has designated the Assistant Superintendent Mr. Shannon Henson, as the Foster Care Point of Contact. If you have any questions regarding services for students in foster care, please contact Mr. Henson:
